2 Years Guarantee

Material: Stainless Steel

The Vispa Electric Radiator combines style and function with its unique "snake" shaped design and square tubes. Made from the highest quality stainless steel, it provides superb heat output to efficiently warm your space. The brushed brass finish adds a touch of timeless luxury, perfect for enhancing any bathroom with a modern, sophisticated feel. With a height of 510mm and width of 500mm, the Vispa is compact yet powerful, fitting seamlessly into a variety of bathroom spaces while delivering both style and performance.
